3B SOCIAL

ON April 25, 1947 the January class of 1949 held a social in the upper gym at Central High School. It was a gala affair. The admission and refreshments were free.

Many students attended the social and a number of them entertained us. Clarkson Holmes sang Anniversary Song, accompanied by Marie Sauchelli on the piano. Margaret Grollman and Emily DeCesare also displayed their talent by singing Temptation and Sentimental Reasons. Jerry Liloia played a beautiful Nocturne melody on the saxaphone while Marion Sauchelli accompanied him on the piano. Florence Scrivo also participated by playing The Spanish Girl and Oh Marie on her accordian.

There was dancing to the wonderful band of Central High School under direction of Mr. Greenfield.

Mr. Kribs, representing the Academy yearbook photographers, took many pictures of the social. He took pictures of each individual entertainer besides some of the students dancing. He also photographed our advisers Miss Schlegel and Mr. Trunt.

The refreshments were very good and the students enjoyed them very much.

Many of the candidates attended this joyful affair in order to introduce themselves to the students for the election of May 7.

3B ELECTION

On May 7, 1947 the 3B's held their election for officers of their class. There were many students running for office such as: Thomas Tagliaferro, Anna Mantineo, Anthony Cassese and Franklin Boyer for President; Joseph Piccone, Dan Daniels and Florence Scrivo for Vice President; Joan McCann, Vincenza Grieco, Gertrude Murray for Secretary; and Jack Tzorfas, Carol McCue and Marie Sauchelli for Treasurer.

All voters were given blank ballots which they filled with their choices. They were then put in a ballot box and counted by Mary Scordo, Emily DeCesare, William Alexy, Stuart Morpeth, Nick Nicoletti, and Charles Davis. After several minutes of counting the representatives gave the results. There were:

THOM	AS TAGLIA	YFER	RRO	О								President
JOSEPH	H PICCONE			*							Vice	President
JOAN	McCANN											Secretary
JACK	TZORFAS											Treasurer

We are sure these officers will do a fine job. (Candidates were introduced by Mr. Trunt and Miss Schlegel before the ballots were cast on Election Day in the Cafeteria.)

RINGS

A meeting was held in the cafeteria on Wednesday, June 4, 1947, to select the house for our rings. All the 3B's were present, and each one had the opportunity to file in front of the seven sets of rings to see what they were going to vote for. A vote was taken and it was decided that we buy our rings from the Josten's House.

Mr. Trunt suggested that the rings be put on display in the show-case in the back of the cafeteria, for the purpose of giving the 3B Classes another chance to look over the rings and vote for which set out of the four they desired.

Mr. Trunt explained all the details to the classes and the officers gave a short speech so that everyone would know what the representatives had said about their merchandise.

The rings were displayed in the show-case in the Cafeteria on Friday, June 6, from first period through seventh. Class members had an opportunity to sign and show preference for rings. The officers and home room representatives were responsible for the rings in the cafeteria and took turns explaining the details to the other 3B's.

The vote was carried on in an orderly manner and everything went smoothly. At the end of the day the votes were counted by the Secretary. Mr. Stein arrived to take the sets back and was told that set number two was selected. Set number two received 111 votes, set number one received four votes, and set number three received 81 votes.

3A ACTIVITIES

THE election of officers for the 3A class was held in the Cafeteria on Wednesday, October 8, 1947. The candidates were as follows:

For President

CHARLES PERCELL WILLIAM ALLEXY

For Vice President PATTY WHITE MARY URBANO RAE BRYDON

For Secretary

JOAN McCANN GRACE TERREZZA

For Treasurer

ANNA MANTINEO JACK TZORFAS

The candidates filed in front of the Cafeteria while the other pupils voted. The ballots were distributed and votes were cast. The chairman of the Ballot Committee, Helen Poulas, and her helpers, Jeannette Gleason, Charlie Davis, Carolyn Irwin and Fred Dudak, counted the votes and a report was made. The following people came in:

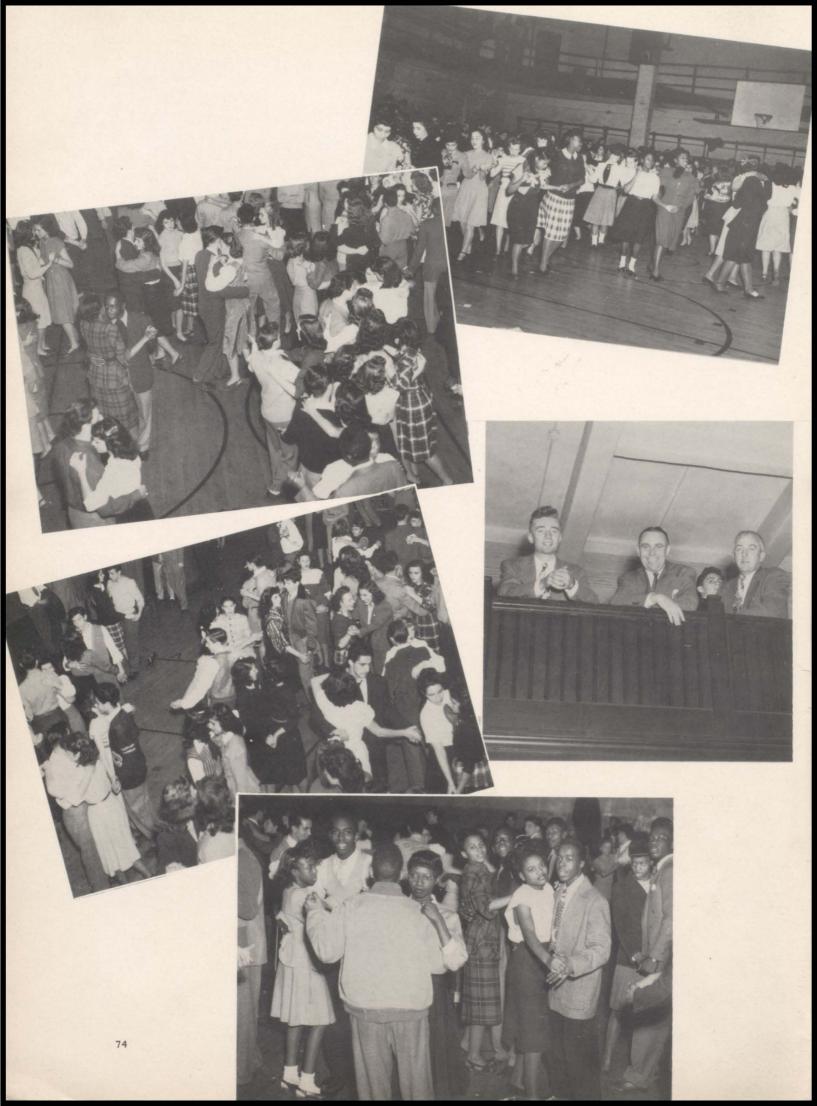

President WILLIAM ALLEXY Secretary JOAN McCANN ANNA MANTINEO

The new officers were called to the front of the Cafeteria and received a round of applause. It was a fair election and only one candidate was disqualified.

4B ACTIVITIES

THE 4B election of officers took place on March 3, 1948 in the Cafeteria, during Auditorium period.

The Home Room Representatives filed into the Cafeteria with those members who had paid their dues of \$9.00 up to date. They received the ballots from Miss Schlegel.

Mr. Trunt introduced the candidates and each made a short speech as to their reasons for running for that particular office. The candidates were as follows:

> For President KEN REITH WILBUR HOOPER FRANKLIN BOYER TOM TAGLIAFERRO

For Vice President MARIE GRECO EMILY DECEASAR GEORGE VITIELLO

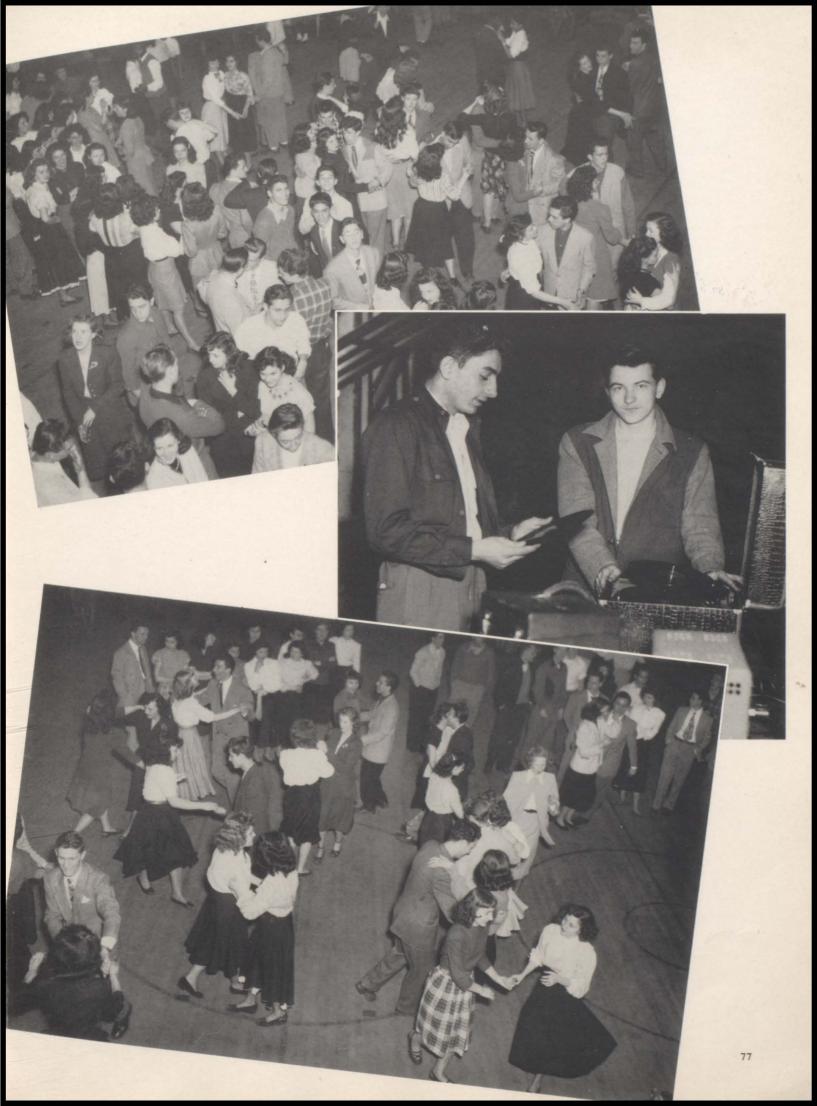

For Secretary HELEN POULOS JOAN McCANN

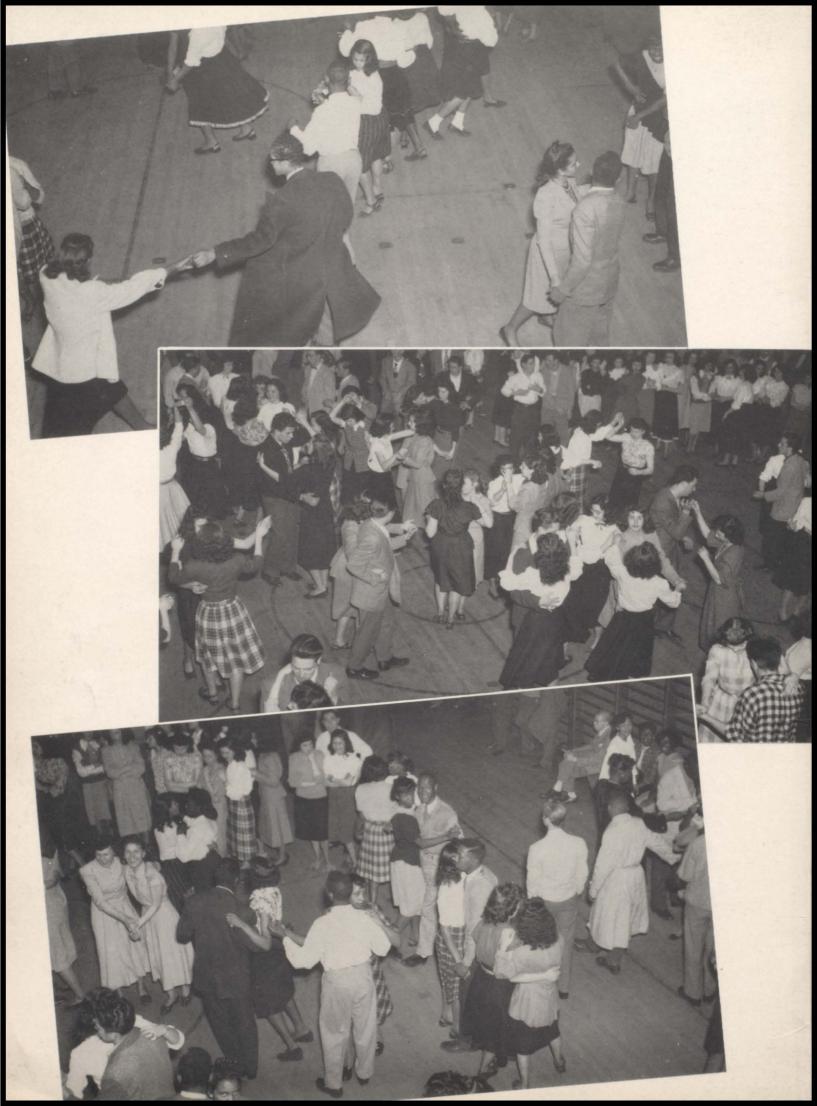

For Treasurer ANNA MANTINEO JOANNE GERVASE

The people then voted and representatives collected the ballots. The ballots were checked and returns made. The new officers are:

The election was very successful and finished with the bell.

JUNIOR-SENIOR PROM

THERE comes a time when every 4B class must say farewell to the Senior A's and prepare to follow in the latter's footsteps. As is customary at this aforementioned time, a farewell social or Junior-Senior Prom is given by the 4B's in honor of the departing 4A's. Amid the visible and audible jollity and carefree gaiety there remains, however, the suppressed feeling of sadness at the thought of "bidding a fond farewell" to fellows and girls we've known during the past three and a half years at good of C. H. S.

An extremely grateful class of '49 extends its heartfelt thanks for the unusual display of much appreciated initiative and cooperation on the part of:

OUR class meetings are usually held every other Wednesday. We start with the President calling the meeting to order. Then the Secretary reads the minutes of the previous meeting. The class then takes part in the discussion of old and new business that is to be attended too. When everything is settled the meeting is adjourned.

WHEN Bob Hammond returned for vacation from his freshman year at college, his home town seemed just a hick village. And the girls! Well, he certainly couldn't accompany one of them to the Masonic Ball. His mother had promised that he would escort a certain Marie, "a girl from the West".

When Bob's ten year old sister reported that Marie was really Marie Brokaw, glamorous movie star, Bob changed, but troubles began.

Bob turned on his charm and everyone was delighted.

Bob turned on his charm and everyone was delighted with the slick way he patched up the quarrel between his sister and her fiance, got rid of the orchids and was fifteen dollars in the good. (You see, Marie Brokaw was really just an ordinary girl with the same name as the movie star.)

Youngest Dean at North Central College

NEWARK—It has been many years ago that the class of January 1949 has had in mind to build a college. They have now gathered up enough money to finish

it.

Margaret Grollman

They are now calling it North Central College. For the past two years a building was being put up on Park Avenue and Clifton Avenue many people thought it was a government housing project but now its finished.

We take great pleasure in giving thanks to all who helped make this college possible by their donations.

We have chosen Margaret Grollman to be Dean of the College. The Class of 1949 leaves it up to her to pick her faculty.

Cops Rescue Washed Up Angora Cat

Newark—A black and white angora cat owned by Flo Scrivo of North Newark crawled into the family washing machine yesterday. The cat was

Emil Albanese has quoted to one of the reports "I give all my thanks to all the teachers not only in college but really the teachers at Central High School.

As you have gathered Professor Albanese is a graduate of Central High School of Newark, New Jersey. GOOD LUCK EMIL.

New High School to Open

Newark—The citizens of Newark have made a very good donation to help build a new high school. There was twenty thousand dollars collected for the school, it has been worked on for the past three years and it is now finished and will be ready to open session on Monday, January 24.

The Board of Education has appointed Marvin Turtletaub as principal of the new "TruntSchlegel" High School. Among the Faculty are Marion Sauchelli, Mary Scurko, Josie Pisko, Anne Macera and Kenny Rieth. All are graduates of Central High School.

Opera Festival Opens Tonight

The 10th anniversary opera festival of the Griffith Music Foundation, which opens tonight at the Mosque with "Cavalleria Rusticana" and "Pagliacci", will reach a climax Saturday night with a gala performance. This will enlist the efforts of a majority of the Metropolitan Opera and other stars appearing in this operatic series.

Vincenza Grieco

For color, glamor and excitement few acts in the realm of opera can surpass the "La Gioconda" scene which will be presented as the climax of that evening's entertainment.

In the title role will be the well known dramatic

soprano Vincenza Grieco. Other roles in the vocal drama will be sung by Anthony Basile, Jennie Facchino, Amelia Mehalaris and Joseph Tischio.

The piece of resistance, however, will be the famed "Dance of the Hours", an integral part of the Schalamoni opera, which will be danced in full by the entire corps de ballet of the Metropolitan Opera with the glamorous Mary Urbano as premiere danseuse.

NEW YORK—Marie Sauchelli for the third time yesterday won the annual shorthand contest of the Gregg Shorthand Teachers Association.

Marie Sauchelli

The contest, conducted at Tufney College, New York, attracted pupils from New Jersey, Chicago and Pennsylvania.

A squad of ten members represented the Central College. They were Ber-

nice Hope, Nancy Liloia, Ann Mantineo, Amelia Mehalaris, Concetta Russo, Margaret Sigaro, Helen Poulos, Mary Anne Rotonda, Grace Terrezza and Mary Scordo.

Mrs. Mary DeVincentes a well known teacher at Central College helped these students to win these honors.

The following were picked Judges of the contest Joseph Abate, Carmine Barletto, Franklin Barger, Bruno Calafati, Mary Donino, Tony DeFrancasco, Leonard Deininger, Arthur Klehm, Fred Kircher, and Carol Irwin.

Starts Third Term As State Auditor

NEWARK—John Caprio of Newark was sworn in today to his third five-year term as state auditor.

The oath was administered by Rosario Rubulotti, chief clerk in the Secretary of State's office, in the presence of twenty-five friends of the auditor. They included Senator Herbert Teufil of Newark and Motor Vehicle Commissioner John Zaros.

A former senator from Newark, Roy Walton became auditor in 1938 after serving as President of the Senate.

WANTED: A young girl beautiful to look at, brown hair, slim, and always happy. (In other words we want a dog.)

Daniels Sent to Bisons

Buffalo (AP)—First baseman Donald Daniels of the Boston Braves yesterday was optioned to the International League Buffalo Bisons on a twenty-four hour recall basis.

The thirty-year-old lefthanded hitter held down the initial sack for the St. Louis Cardinals in 1943, 1944, and 1945. He was sold to the Braves in 1946.

Donald Daniels

A broken arm in midseason kept him out of action for the rest of that year and through 1947.

Daniels was sold conditionally by Boston to the Brooklyn Dodgers in March in the Nick Domonick

deal. When his arm failed to respond to treatment, the Dodgers returned him to the Braves on opening day, April 20.

COMMENCEMENT

AT LAST the big day has come when we, the proud students of Central High School, will walk down the aisle to receive our well earned diplomas.

We are very happy and at the same time sad. Happy because after four long and happy years we have finally reached the top. Sad, because we are leaving school with honor and have to enter the outside world to find ourselves a place in the future.

As we go forth from here we will carry with us the benefits we have gained in our school years in scholarship and athletic programs.

The curtain will now fall for us and we will take our final bow when we pass in review at graduation.

Last Will and Testament

WE, the Class of January 1949, of Central C. and T. High School of Newark, New Jersey, being of sound and disposing mind and memory, do declare this to be our Last Will and Testament as follows:

To Mr. Ralston: We leave the cafeteria, school, and Summit Street clean from all garbage.

To Mr. Trunt: We leave classes with projects made a year in advance.

To Miss Schlegel: We leave girls that don't chew gum in her classes (and don't put the gum under the seats.

To Miss Sullivan: We leave a pair of wings to get to 413. (That's just in case the elevator breaks.)

To Mr. Heiges: We leave successful secretaries.

To Mr. Schleicher: We leave classes that will only get plus (+).

To Mr. Miller: We leave a class that can at least get a (D).

To Mrs. Litch: We leave smart Italian classes. To The Flag Pole: We leave a bunch of artists.

To The Corridors: We leave the echoing voices of our class.

To The Elevator: We leave Vincent the only grown man who can work it. To the Janitors: We leave an air-vacuum to sweep away all worn out textbooks.

To the Cafeteria: We leave a television set.

To the Gym Floors: We leave a vacuum under the floors so that they will always be clean.

To the Typewriters: We leave a bag on the insides of the machines to collect all the bits of erasers.

To the Typing Rooms: We leave glass desks so the girls can save at least one pair of stockings a month.

To the Faculty: We leave all our thanks and sincerity for all the help and teachings that they gave us.

To Miss Bausman: We leave a pair of ballet shoes.

To the Plagues on the Walls: We leave a bright background so that some students will at least look up at them.

To Dr. Profeta: We leave a store so students won't have to bring their utensils to give a demonstration in salesmanship.

To the English Department: We leave a new supply of English textbooks.

To the Lunch Periods: We leave 45 minutes for lunch. To Mr. Cuozzo: We leave him a set of Lionel trains.

To Cutters: We leave a supply of detained and excused slips.

To Mr. Peteti: We leave him study rooms in the clouds. (So he won't have to say keep quiet.)

To the Book Room: We leave a supply of new books. To the Stairways: We leave a pencil to autograph names.

To the Study Halls: We leave a radio, candy, magazines, and newspapers for each student.

To all Clubs: We leave pupils who will attend meetings.

To English Students. We leave the "Spirit" to memorize all memory selections. (This is a military secret so don't let the teachers catch on.)

To the Late-Comers: We leave a radio alarm clock.
To the Sophomores: We leave broken down books, homework, Mr. Rolston, and the Faculty.

To the School Dances: We leave the Terrace Ballroom to hold the dances.

To the Business Department: We leave answer books for each student so they don't have to rack their brains. (All they have to do is copy.)

To the Guidance Office: We leave a Lie Detector.

To the Juniors B: We leave a detail map of the inside of the school.

To the National Honor Society: We leave a special room for their meetings. (After all we should honor them.)

To the Arrows on the Walls: We leave a One Way sign. To the desks: We leave a sharp knife to carve names.

To the Classroom Telephones: We leave dials for pupils usage. To the School: We leave our hearts and our headache. To the Clocks: We leave a pusher to make them go faster.

To the Blackboards: We leave a supply of gray chalk.
To the Boys' Lockers: We leave pictures of pin-up girls to hang on the walls.
To Mr. Convitz: We leave a college under his name "CONVITZ COLLEGE".

To the Waitresses: We leave automatic table cleaners.

To the Tangent: We leave gossip and good news. To Miss Gorden: We leave a student helper who wears a suit of armor just in case she may throw something.

To the Library: We leave lounging chairs and ash trays. (There will be signs reading, Private Property for students only.) SORRY TEACHERS BUT WE WANT A PLACE TO LOUNGE TOO!

To the Science Department: We leave a new chemistry lab.

To the Dance Club: We leave Harry James and his orchestra to play at all

To Mr. Inzeo: We leave a book on Sign Language.

To Mrs. Knowles: We leave a Southern Shorthand Manual.

To Miss Kauffman: We leave an alarm clock so as to let her classes out on

To Miss Travelsted: We leave all boy classes.

To the Tardy Room: We leave more chairs, for the weary tardy students. To the Charm Club: We leave a bunch of charming girls.

To all Pupils: We leave Mr. Rolston, our Principal to help and guide others to their future as he did ours.

To the Assembly: We leave interesting programs.

To the Mathematics Department: We leave more brains in students' heads to fit all those mixed up numbers.

To the Art Department: We leave new paints and paint stands.

To the Language Department: We leave a new way to learn the language. To the Technical Department: We leave new gun sprays to clean out the machines.

To the History Department: We leave easy history books (not Muzzy).

To the Football Rallies: We leave Energetic noisemakers.

To the Cheerleaders: We leave two pounds of lemons to be brought at every game. (Class don't you think we should leave more? Yes!) OK here's a hundred lemons.

To the Band: We leave popular song sheets.

To the Homeroom Teachers: We leave our thanks, for everything they did for

To Miss Scott: We leave the sick people of the school???

To the Swimming Team: We leave bathing suits, not "paint".
To the Campus: We leave the many trees that we students planted by throwing our peals and pits into.

To Miss Boutillier: We leave an easier way to make an anthology.

To the Seniors: We leave our faults to be corrected to show the lower classmen what's wrong and what's right. We leave our old exam papers so they can copy and won't have to worry if they will pass or flunk because we know if they copy they will FLUNK its only a joke. But we wish to all seniors happy school days and good luck to all.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this graduation day of January One Thousand Nine Hundred and Forty-Nine.

INTER-SCHOLASTIC COUNCIL FORMED

THE subject of interscholastic unity which has been broached by many of our educational advisers without too much apparent success, has been tackled by a group of teen-agers from the various high schools in the city. The results are apparent in the newly organized interscholastic council.

Boasting of city wide participation, and favorable responses from our city fathers, the group has set about trying to solve the problems which every school must confirm at one time or another. Among the topics discussed are: yearbooks, proms, dances, dues, school newspapers, juvenile delinquency, and racial and religious prejudice.

The teen-agers get together and discuss these problems freely and seriously and the net result is a clearer understanding of the conditions which our high schools face today.

Some of the future plans of the council are: exchanging assembly programs between schools so that the students get acquainted with the other educational establishments in the city. Also on the agenda are plans for radio programs, and the setting up of a sportsmanship code to be used throughout the city for the purpose of eliminating any ill feeling between schools as a result of any sports encounters.

The group is a young and budding bunch and the city can look forward to many great things from them in the future. Here's wishing them luck and success.

RADIO DEDICATION

WBGO—The FM radio station of Newark Public Schools went on the air February 5 at inaugural ceremonies at Central High School. The station which is owned and operated by the Board of Education and which is under the direction of Mr. William Pfeiffer is the first of its kind in the state.

Prominent leaders in education attended the opening program. Dr. John W. Studebaker, United States Commissioner of Education praised the Newark Board of Education for establishing the station. He stressed the importance of radio in education, declaring:

"It brings the outside world right into the classroom. It destroys the monastical ivory-tower, where the teacher, possessing and pictures alone, once tried violently to stimulate interest and relate the daily lesson to real life."

State Education Commissioner John H. Bosshart cited the value of a school radio station. "Through the medium of radio, "Bosshart said, "better public relations can be created by bringing the public schools and the citizens of the community closer together."

John S. Heron, Superintendent of Schools introduced the guests. Mayor Vincent J. Murphy and Dr. John B. Przybylowicz presented official greetings after Rev. John Ner Borton of St. Mark's Episcopalian church offered the invocation.

A documentary broadcast of WBGO which was enacted in the studios previous to the broadcast, was presented in transcription. The Newark Schools Faculty Orchestra and WBGO chorus presented musical selections.

Other speakers were Public Safety Director John B. Keenan, Rev. Thomas Gilhooly of Seton Hall College, Stanton A. Ralston, Principal of Central, and Board of Education members: Mrs. Benjamin W. Adams, Mrs. Edward F. Fitzpatrick, William E. Helmstaedter, Wm. E. Ricigliano, and Herbert H. Tate.

SPORTS

BASKETBALL 1947-1948

THE basketball season of 1947-48 was not very good for a usually strong Central combine. The first half season was fairly good with the exception of a few games. LeRoy Smith, our All-State Center, led the way as usual. We won our first game beating a strong Barringer club, 59-41, with Smith leading the way with 16 points. We lost our following game with Thomas Jefferson (which is a powerhouse team) 44-51. We had a few bumps ourselves during the season, such as losing to Bloomfield 28-33, and Columbia, 35-42, two teams which did not have much on the ball. We gave Orange a good game for 3 quarters, but lost out in the end by a 35-48 score. They also are a powerhouse team.

We beat Kearny in the New Brunswick Tournament, 51-38, and were supposed to play Vineland for the trophy, but this contest was called off on account of the weather.

With the graduation of Smith, Central lost four straight; we also lost to East Side, which cost us a tie with Weequahic for the City Title. We had beaten Weequahic 49-45 the first time we played them in a polio fund game, but lost to them the second time 49-69. We upset a strong Barringer team to hold second place. We lost to Orange again in the County Tournament 34-42 in the first round.

In the State Tournament, we beat Kearny again 59-42, and our team looked like a bunch of pros. Everybody thought Central had at last found itself and was going to do something, but again our Nemesis, Orange, shellacked us 20-54, and knocked us out of the tournament.

After the season ended, Central was very surprised when our coach, Henry P. Finck, resigned.

A 'PLANNED' CHAMPIONSHIP

A 'PLANNED' CHAMPIONSHIP

A former South Side High Star and Savage graduate, Finck appeared at Central during the 1934-44 school year. He had coached Our Lady of the Valley in Orange to the Catholic School Athletic Association Class C championship the preceding season. His first Central team lost in the sectional final of the state tournament, but the 1944-45 squad won the sectional title before being eliminated in the state semifinals. In 1946 Central lost only in the final game against Thomas Jefferson. Last year it tumbled Union Hill for the big crown. However, for the last three years Finck has been commuting to his coaching chores. He was a wartime appointee at Central from September, 1943, to June, 1945. The return of service personnel forced his return to Alexander Street School during regular classroom hours. He was all but given the West Side coaching

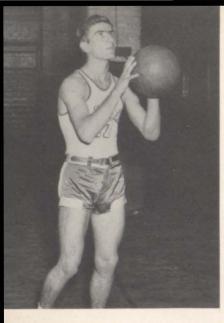

tember, 1943, to June, 1945. The return of service personnel forced his return to Alexander Street School during regular classroom hours. He was all but given the West Side coaching job this Winter, but Newark school authorities finally deemed it inadvisable to "steal" one school's successful coach for another, so Henry stayed at Central.

Finck's overall record in coaching Central basketball included 84 victories and 34 defeats and reached its climax when his team won the State Group IV championship last Winter. LeRoy Smith, now an LIU freshman, was the star of that brigade and shared with Ed Stickel, now at Syracuse, the distinction of being Finck's top performers in five years.

At present there are no vacancies in the physical education department in the Newark high school system, so it looks as if the astute Mr. Finck will have to bide his time.

Newark schoolboys will be minus a good basketball coach, too. The strain of jumping from one school to another for the switch from teaching to coaching, a complication absent from most other local mentors' agendum, is not for Henry any more.

KEN RIETH

Did not start any games but played varsity guard. Played freshman basketball in his freshman year. In his sophomore-junior year, when Central won the State Group IV Championship, he earned his varsity letter. Also, in his junior-senior year, he earned his varsity letter.

JIM ENGLAND

Varsity forward, played a bang-up game against Weequahic in the Polio Game. Played freshman basketball in his freshman year. In his sophomore-junior year, when Central won the State Group IV Championship, he earned his varsity letter. Also, in his junior-senior year, he played on the starting five and earned his letter.

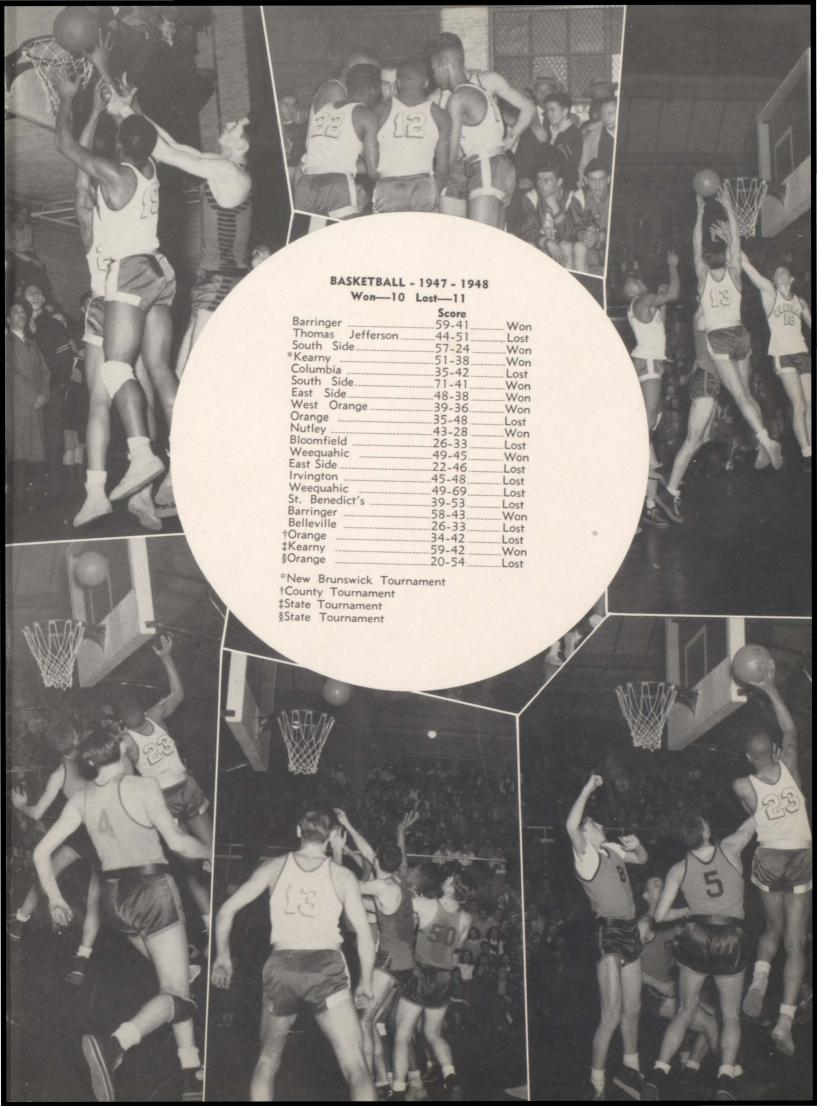

WILBUR HOOPER

Varsity forward and guard. Played outstanding ball against Barringer and Orange. He was a sensational net shot from any point in the court. In his freshman year he played varsity for South Side and received his varsity letter. In his sophomore-junior year, he played varsity and was selected to the 2nd Team All City. The next year he transferred to Central and played on the team in his junior-senior year on the starting five. His highest point scored per game was achieved at South Side, against Arts with 26 markers. At Central against South Side, scored 19 points. He is an all-around athlete with plenty of savvy and sport sense. He will make good in whatever sport he undertakes.

TRACK TEAM

AFTER the lapse of many years, Central High has resumed Track and Field as a major sport. If you can remember back that many years, you will know Central's Track and Field team rated with the best in the state.

As before, Coach William C. Bauer will pilot the boys on the cinder path.

In an interview, Mr. Bauer revealed no one outstanding person on the team. There are a few outstanding boys in their individual distances and Field assignments.

Coach Bauer would like to see more sophomore boys on the squad. Most of his runners now are either seniors or too old next year. He does not expect too much this year except to organize himself with various meets and experience for the younger fellows.

This year Central featured the first track team in fifteen years. Mr. Bauer had very little time to get the boys in shape; the weather and lack of experienced boys proved a great handicap.

As noted from the above results, Central may well feel proud of its track team and its achievements. In the future, we shall expect outstanding results in this sport, as we have been showing in all other sports.

BASEBALL SEASON OF 1948

AT the beginning of the season, Mr. Reilly expected a corking good team. It seems that the team got many bad breaks, and lost several heartbreakers. Injuries to the pitching staff hurt also. Our pitching staff was weakened when Bove proved himself under par, and was asked to leave the team.

After a good start against Seton Hall, Central ran into some hard luck when it was dumped by a weak Newark Tech aggregation. Then came the dramatic 1-1 tie against West Side. However, in the ensuing game, Central managed to outlast West Side 3-1. In this contest, Cardones pitched a magnificent game. It was at this point in the season that the league race was already determined. It was to be a pitched battle between West Side and Central. Tough luck continued to follow Central in its two games against New Brunswick and Columbia. Both games were lost by a margin of one run. The Columbia game ran into extra innings before the issue was decided in favor of Columbia.

During the month of May, we lost to Nutley, West Orange, and St. Benedicts. All of these games were tough games. Each one was a challenge all the way. There were no breather games on our schedule.

In the City League, Central won 9, lost 1, and tied 1. Again, as in the beginning of the season, the crucial game was against West Side. This time, Central emerged the victor for what proved to be the championship game for the City Title.

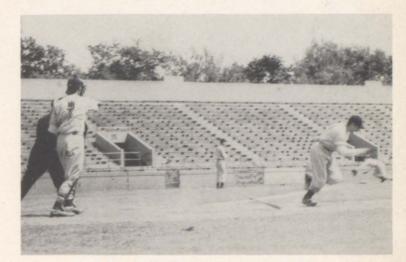

The irony of this season came when West Side was selected to represent the City Schools in the Greater Newark Tournament. For reasons known only to the officials, Central was passed. However, Central's victory over West Side was sufficient to prove the supremacy of the City Titlist.

The over-all record at the end of the season stood: WON 11, LOST 8, TIED 1.

Kenneth Rieth

Played varsity baseball since the sophomore year. His position was that of shortstop. Batting average .259 for the sophomore season. Batting average junior year was .290. Batting average senior year .338.

He led his team at the plate. He received most hits on his team as the lead-off batsman. In his junior year, was selected on the All-City Team. In his senior year, was selected on the All-City Team. He was awarded a gold baseball which was emblematic of his all-city selection. In the three years of school competition, the most thrilling game was the St. Benedict's game in which he hit the only home run of his school career. His other great was the St. Benedict's game in which he hit the only home run of his school career. His other great thrill came in beating West Side for the City Title. In this game, his flawless fielding brought about two snappy double plays, which just about crushed West Side's chances of victory. His ambition is to follow athletics as a career. We wish him the best of luck in anything and everything he undertakes, whether it be sports, business, or recreation. or recreation.

SWIMMING

CENTRAL which won the city championship this year in a 9-1 meet record was favored to capture team honors in the City of Newark. Central High narrators winners of the mythical league city crown was favored to take the team and individual honors. In League meets this season coach Irving Levin High Streeters defeated every team except East Side twice. The well-balanced squad was lead by Phillip Nicalaus, one of the city's best swimmers. Strong favorite in the 40 yard distance will be Len Walsh, also of Central. East Side was Central's nearest competitors.

	Score		Score
Central	39	South Side	18
Central	31	West Side	26
Central	26	East Side	31
Central		Arts High	14
Central	38	Weequahic	19
Central	31	South Side	25
Central	30	West Side	27
Central	38	Weequahic	19
Central	38	Arts High	19
Central	32	East Side	

The above record entitled Central to the mythical League Championship. In the 100 yard breast stroke, Turtletaub placed fourth in the CITY MEET.

The 40 yard free style, new meet record, by Len Walsh 20.3 seconds replacing the old record of W. Walsh of Barringer set in 1933, 20.4.

The 220 yard free style, won by Phillip Nicalaus, time 2:23.2.

The 100 yard backstroke, time was 1:12.6 a new meet record set by R. Schmitt of Barringer in 1935 in which Central placed fourth with Turowski carrying the banner. Keal of South Side was pushed hard by Art Turowski and William Billitz of East Side. All three swimming in the first heat.

The 100 yard free style time 1:4 Nicalaus placed second, taken by

Higgins, West Side.

In the 120 yard medley relay Central took a fifth. Kenneth Marsh,

Turtletaub and Jimmy England made up Central's team.

The 160 yard relay team was made up of George Arnold, Mario Chisuli, Turowski, and Walsh. The team was rated the best in Newark but was nosed out by one tenth of a second.

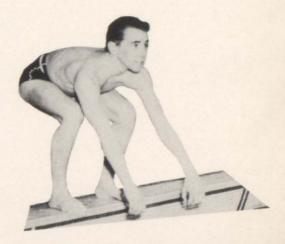

Len Walsh has seen his first year of competition in city school meets in his senior year. He broke the city record in the 40 yard free style. He was one of the strongest swimmers Central has put into this event. He swam anchor man in the 160 yard free style relay. He is a fellow who can do the impossible in aquatic events. We look forward to his having a successful career in whatever he undertakes. Captured the 50 yard free style in Trenton A. A. U. championship meet.

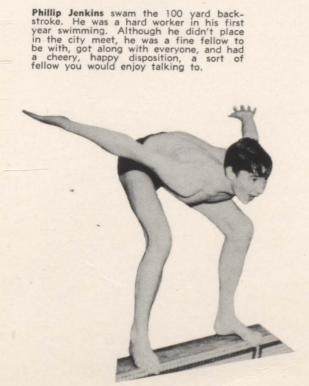

Artie Turowski swam three years varsity for Central High School. Competed in the 100 yard backstroke, and placed in one fourth and two fifths. Placed in one third in the 120 yard medley relay. One second in the 160 yard relay, for which he received a Newark H. S. A. A. medal. Not content with his scholastic achievements within the city limits, Turowski accomplished some outside merits. Captured the 150 yard backstroke championship in Boston in A. A. U. competition. He was the co-captain of his team with Nicalaus. He is the sort of fellow that everyone enjoys, a modest, athletic build, collegiate looking, well-mannered, cheery disposition, smiles easily and has a determination that will carry him far in whatever he undertakes. May our best good luck wishes follow him wherever he finds himself.

James England has seen his first year in the 100 yard free style. He swam in the medley relay and took fifth place in the 120 yard medley relay. A fellow well-liked by everybody, good personality, good mixer, and a real sportsman.

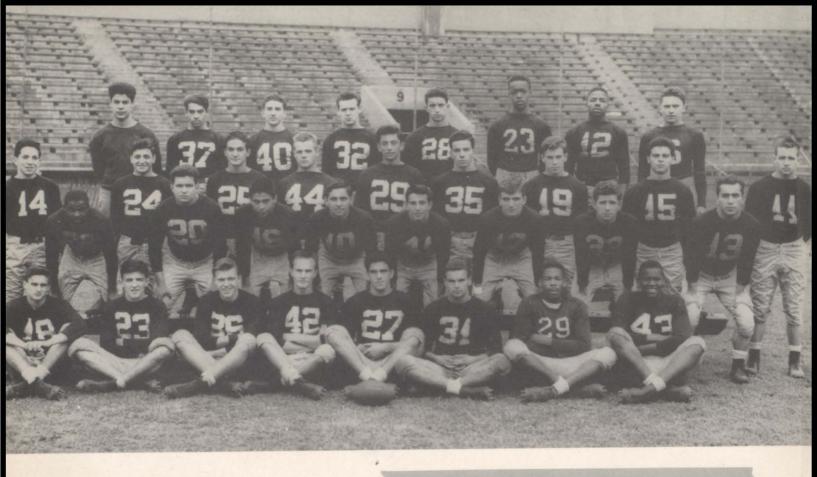

Philip Nicalaus. First in 200 yard free style. Second in 100 yard free style. Philip was on the squad four seasons. He was one of our most valuable swimmers.

DAVE TRAIL Backstroker

Marvin Turtletaub swam the 100 yard breast stroke. This year he captured fourth in the 100 yard breast stroke. He took a fifth last year in the same avent. He swam in the 120 yard medley relay. He took fifth in this event. He is noted for his loquaciousness but is really a fine fellow and gets along with them well.

FOOTBALL

CITY CHAMPS

THE year of 1948 football season for Coach Sal Commisa was not supposed to be a good one. In fact, Central was rated third in the city according to the papers. We had lost a great many of last year's team and their replacements were not supposed to be very good.

But as the season started to get underway, Central made every-body perk up when they beat a favored Nutley eleven 18-6. The people said we were lucky and that Barringer would give us a good game. That game is when Central established itself as a threat to the "City Title". We massacred the "Big Blue" 33-8 for one of the worst shellackings a Central team had ever imposed upon Barringer.

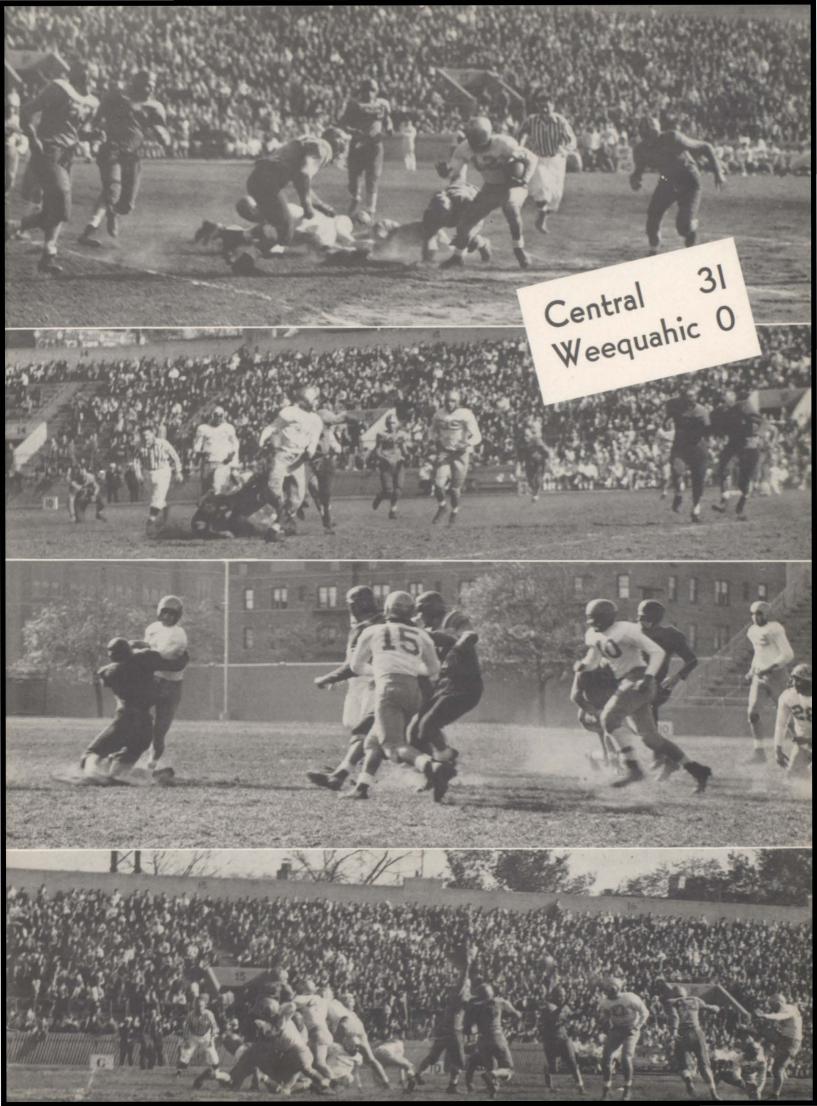

Central continued to roll along under the fine coaching of Sal Commisa and swamped South Side 24-0. The following week was supposed to be a big test for Central when they played Bloomfield. Bloomfield was also favored over Central. That game was a game of hard, rough, tough, and vicious football, both teams playing a good brand of football and Central held Bloomfield to a scoreless tie. Neither team lost any prestige, and the following week was the biggest game of the year as far as the Central players and coaches were concerned. West Side who, in the last few years, has become a bitter foe of Central, had another great team in the making. They had held a powerful East Orange team to a 7-0 deficit which proved that West Side was no pushover.

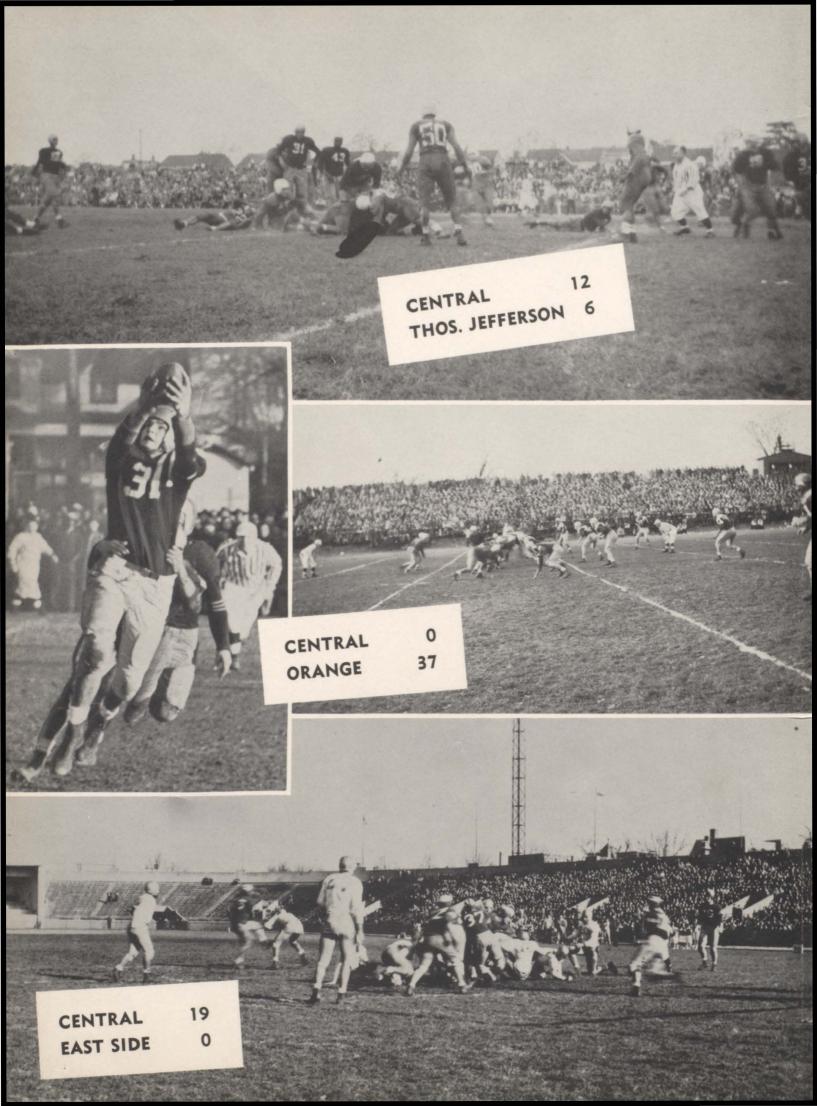

We were slightly favored that game because of our unblemished record. There was a double-header and Central-West Side was the main attraction before a crowd of 12,000 people. There was a lot of tension on the part of the spectators and players as the game began. Right from the beginning it was a hard and tough game, but Central came out on top, winning in the last 15 seconds of the game on a pass, which netted us a 12-7 victory.

Weequahic game was a pushover. We swamped the Indians with our reserves to the tune of 31-0.

SAL COMMISA Head Coach

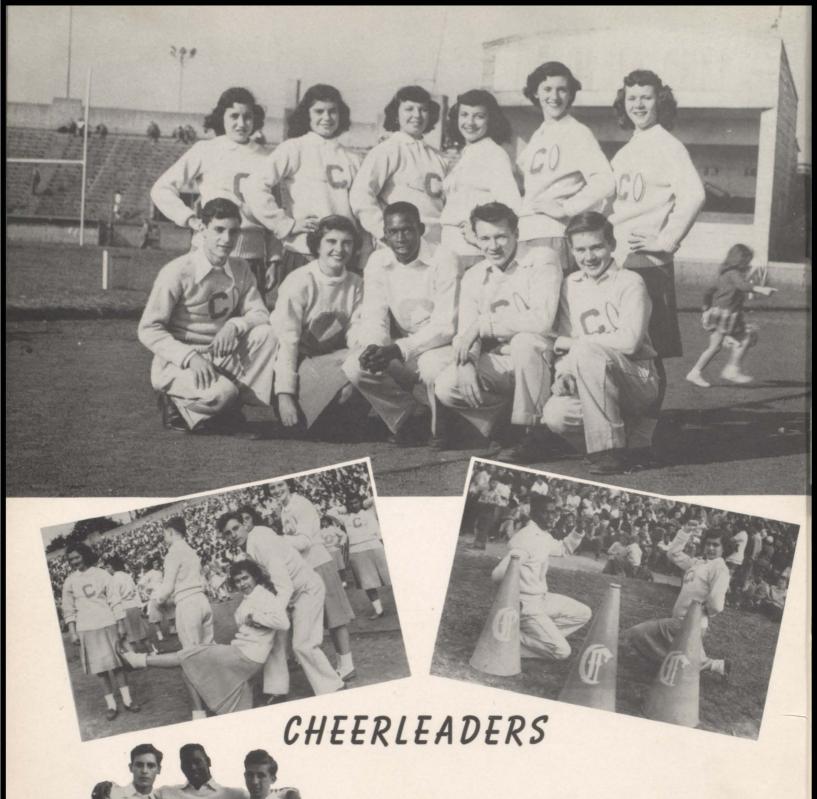

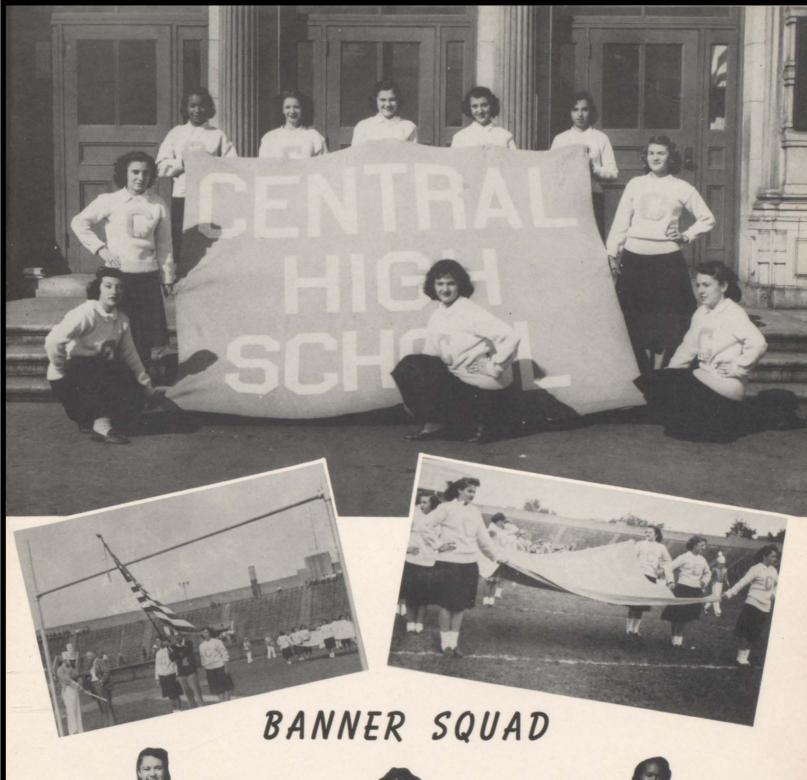

Charlie Percell, who was too small to make the football or basketball teams, became a cheerleader and was the spark-plug for three seasons. He has a peppy personality and, wherever he goes, there surely is laughter and enjoyment. Central was proud to have him as a student and cheerleader.

Charlie Davis became a cheerleader in 1947. After cheering for two seasons he became captain of the cheering squad. During the basketball season the squad was voted the best in the city. He has contributed very much to the spirit of the school and we are sure he will continue to do so. He is a peppery, lively, enthusiastic ball of fire that seems to catch the spectators' enthusiasm. A well rounded personality that is truly representative of Central High School.

Johnny Goeggel became a cheerleader in 1947. He was very glad to help the morale of Central's teams that won so many championships, and also to bring out the spirit of the students of Central High School. We hope Central will have many students like him in the future.

Carolyn Irwin. Joined the Banner Squad this season. Found her task pleasant and interesting. Her biggest thrill was the Central-West Side game.

Joanne Gervase. Captain Banner Carrier for two seasons (1947-1948). She is a dependable, happy, and well-liked girl. She loves football games and its thrills.

Gertrude Murray. For two seasons Gertrude carried on her pleasant duties on the Banner Squad. A pleasant, cheerful, dependable, and enthusiastic girl in everything she undertakes.

TWIRLERS

Joe Scalamone, twirler and captain, and drum major. Joe contributed four years of service. He started his career at the age of three. Performed for St. Lucy's Fife, Bugle and Drum Corps in 1933. In 1937 won the National Junior Baton Twirling Championship and the State Juvenile title. He also won the state title in '38 and '39.

Marie Greco. Marie has been on the twirling squad for two years. Her twirling is only exceeded by her fine ability to strut. Marie's pleasant smile is noticed by all football fans. Good luck to you, Marie.

Bernice Hope. The qualifications for twirling are twirling ability and appearance. These qualities are possessed by Bernice. She has twirled two seasons. Her farewell is "Good Luck to all future twirlers of Central High School."

CITY CHAMPS

CROSS COUNTRY

CENTRAL HIGH Harriers have a great hope to take the City Title despite the fact that they have lost six lettermen. They have lost four and won three, losing to St. Benedict's, East Orange, Kearny and West Point, and beating Bloomfield, East Side and Nutley.

Central has only two letter men, Robert Morgan and Frank Torchia. Charles Smith, Charles Davis, George Arnold, Robert Walsak and Robert Paauw make up the first seven.

Mr. Fleischman is building the team around Charlie Smith who is Central's number one man. The rest of the boys usually finish in this order: Torchia, Davis, Arnold, Morgan, Walsak and Paauw.

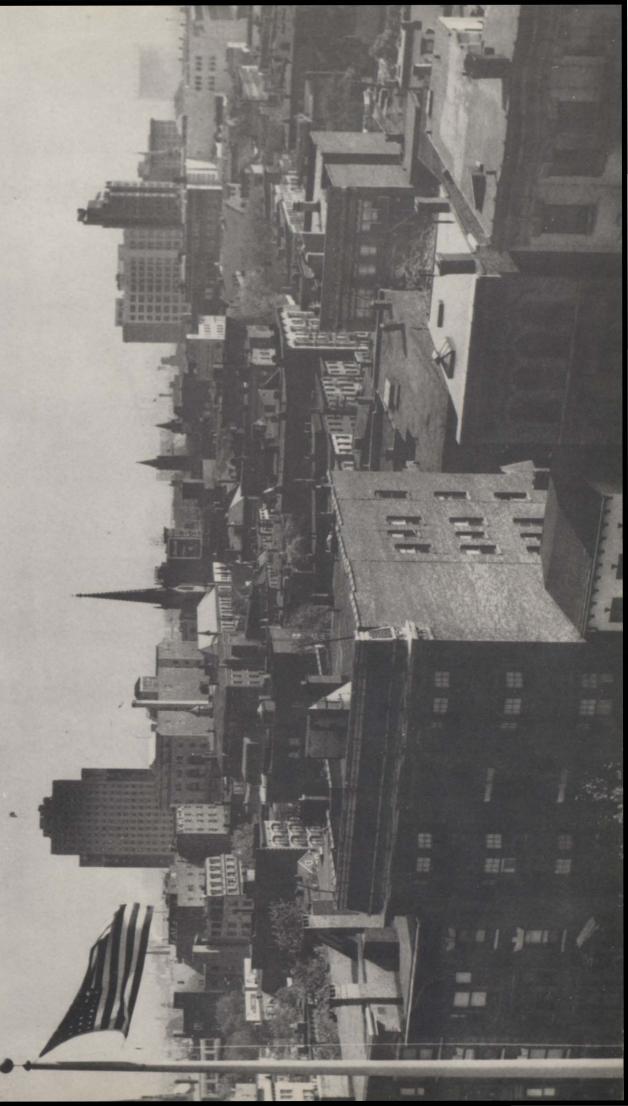

The only harrier graduating is Charles Davis who has just started running this season. He has been placing a constant second or third among Central runners since the start of the season.

The Central Harriers evened their record to four wins in eight starts, by beating Orange High, the defending county champs, at the Branch Brook Lake Course. Central finished in this order: Smith second, Davis fourth, Arnold sixth, Torchia seventh, and Morgan eighth.

The following won the city championship: Charles Smith, Charles Davis, George Arnold, Frank Torchia, and Robert Morgan.

FOR BETTER GROOMING

ONE profession ... and a MASTER at it

When you choose the profession you're going to follow . . . choose carefully, slowly. When you've decided, select one phase of that profession . . . and then concentrate on it! SPECIALIZE, study and work at your specialty until you know more would it than anyone else in the world.

The creed of specialization and perfection applies universally; to the man who builds better mousetraps, to the surgeon, or the engineer . . . or the photographer.

Academy Yearbook Photographers are SPECIALISTS in that precise sense. We are YEARBOOK Photographers, interested only in creating ever-finer YEARBOOK pictures.
